ADAM LEHRHAUPT

INTERACTIVE SCHOOL VISITS

Their ideas. Stories we build together.

Students discover the joy of creating a story through games, imagination and choices they make with Adam.

In the room

Students invent characters, explore what they want and help build a story. Simple steps make creating feel possible.

CHOOSE ANY FOCUS FOR ANY SESSION

- Imagination
- Character
- Parts of Speech
- Building a Good Story
- Pick Your Own!

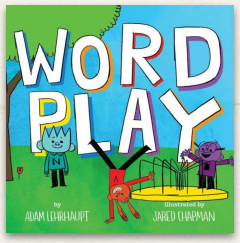

What happens next?
Your students decide.

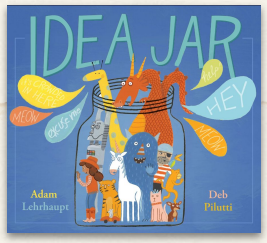

Keep the ideas going

Educators take story-making activities straight into writing lessons. Families can keep the play going at home.

Even at the dinner table.

Stories to build from…
Before and after the visit.
